

You Have the Power to Help Us Find a Cure

4 ways to give

It's easy to be a hero when you support **Cure JM Foundation**. JM (Juvenile Myositis) is a group of painful, incurable and life threatening autoimmune conditions affecting approximately 17,000 children in the United States.

Cure JM Foundation is the ONLY organization that solely supports the JM community and is also the largest charitable supporter of JM research. Our mission is to provide support for families coping with JM, raise awareness of JM, and fund research that will ultimately lead to a cure.

Your donation can bring us one step closer to finding a cure for JM. And with four ways to give, you can choose the donation option that best suits your financial and tax situation.

1 **Donate by Credit Card, Bank Card or Check**

Make an online donation today! Visit www.curejm.org/donate. Prefer to donate by check? You can mail your donation to: **Cure JM Foundation, 836 Lynwood Drive, Encinitas, CA 92024**. You can also make a donation by phone. Call (760) 487-1079.

2 **Schedule an Automatic Monthly Donation**

To make a real impact in the fight to cure Juvenile Myositis, consider scheduling an automatic monthly donation. Whether it's \$20 a month, \$35 a month — even just \$5 — your ongoing support is vital to funding new research opportunities. To schedule an automatic monthly donation today, please visit: www.curejm.org/give

3 **Donate Stock**

If you own stock, it is often more tax-efficient to contribute stock than cash.* To learn more, contact Cure JM at info@curejm.org or call (760) 487-1079.

4 **Make a Planned Gift from Your Trust or Estate**

A planned gift can have a meaningful impact on Cure JM's mission far into the future. Planned giving also may provide an opportunity to reduce or eliminate estate taxes, reduce income taxes or reduce or eliminate capital gains taxes.* To learn more, visit www.curejm.org/future or call (760) 487-1079.
